Players must have been born during or subsequent to, the divisional year, as defined by US Soccer guidelines. A team using guest players may have no more than four (4) to six (6) loan/guest players depending on age group.

Competitive teams, except for foreign/international teams, must be registered with a National Soccer Association affiliated with US Soccer/US Youth Soccer and must present a valid State roster. For these teams, the only acceptable proof of age will be a valid US Soccer/US Youth Soccer, State, or National registration card that includes a signature and a photograph of the player. Players on these competitive teams who do not present valid player passes will not play.

A player may compete for only one team participating in the tournament. In the event a player is found to have been rostered to or playing with more than one team in the tournament, the second team on which the player plays in the tournament shall be deemed as the team that fielded an ineligible player. Any team fielding an ineligible player will be disqualified from the tournament and their tournament fee will be forfeited.

Teams participating in the tournament must provide notarized medical releases for each player in a format as required by the Tournament Committee and as posted on the tournament web-site. Foreign/international teams are exempt from the notarization part of this requirement. These authorizations shall be presented at registration and a copy kept by the team at the field, available for presentation in the event of an emergency.

Where required by the State or National Association for which a team/player is registered, all competitive teams/players traveling from within the United States but outside the State of Florida must have a copy of their Permission to Travel Forms, approved and signed by a USSF or duly authorized State or National Association representative.

Foreign Teams must have written permission and verification from their Federation, indicating authorization to participate in the Tournament. Players must present passports at registration (including Canadian citizens). These teams must present a certified roster signed by an official of the Club with which they are affiliated and played for, listing each player and including their date of birth.

U9 -U10 age group teams will play 7v7 and roster size cannot exceed 12 players. U11 -U12 age group teams will play 9v9 and roster size cannot exceed 16 players. U13 age group teams will play 11v11 and roster size cannot exceed 22 players. All U14 and older age groups will play 11v11 and be limited to a 22 player roster size from which the game day roster for a given game may not exceed 18 players. The above roster sizes are for the entirety of the tournament in that the same players must be on the maximum tournament roster for the entirety of the tournament. For U14 and older, the game day roster of 18 players may change from game to game, but the players on the overall tournament roster of 22 players may not change. Players may not be listed on more than one tournament roster for the tournament. Rosters must be approved by the tournament and only approved rosters may be used as games rosters. Once a team begins play in the tournament, their roster is frozen for the duration of the event. Teams applying to "play up" an age group must be approved by the Tournament Committee.

It is the responsibility of the coach and the player's parent(s) or legal guardians to seek medical attention. The player may not resume participation until he/she has been cleared by a medical doctor. The referee HAS NO FURTHER responsibility beyond removing the player from the match in which the player was injured. The referee crew must endure, that UNDER NO CIRCUMSTANCES or due to the appeal from any coaching staff that the player is allowed to return to the game.

- A. Players, coaches, and spectators are expected to conduct themselves within the spirit of the Law as well as the letter of the Law. Displays of temper or dissent are cause for ejection from the game and surrounding field area and/or the Tournament. Repeated violations may result in the suspension of the team from the Tournament as decided by the Tournament Director.
- B. The Discipline Committee shall determine the appropriate sanction for the action resulting in the ejection, said sanction will be determined and communicated to the affected parties as soon as practicable, but no later than prior to the next scheduled game in which the offending party would have an opportunity to participate, which is no sooner than two games after the game in which the offending party was ejected, since there is at least a one game automatic suspension.
- D. At the conclusion of the Jogo Bonito, it is the responsibility of the team’s coach or manager to pick up the passes from the tournament headquarters, even if suspension has not been completed. A complete report will be sent to the Florida Youth Soccer Association Review & Discipline Committee within 72 hours for forwarding to the appropriate State and National Association.

DETERMINATION OF PLAYOFF FINALISTS

Finalists will be determined through a seeding format or by a division winner’s format. The Tournament Committee will decide which format each age group and bracket will follow. This will be announced prior to the commencement of competition. The rules to determine tie breakers will be the same for either format. Each team will be awarded three (3) points for a win, one (1) point for a tie and zero (0) points for a loss. At the end of the preliminary rounds, if the finalists for a particular age group and bracket are determined by the division winner, the division winner will be the team with the most points in their division. In the event of a tie within a division, the following criteria will be used to determine who moves forward:

1. Head to head competition (this criterion will not be considered in the case of a tie among more than two (2) teams.) ****
2. Goal differential to a maximum of four (4) per game.
3. Most goals scored to a maximum of four (4) per game.
4. Least goals allowed to a maximum of four (4) per game.
5. FIFA penalty kicks. **** In the event of a tie among more than two teams, once a tie is broken by the above system, and if ties among remaining teams still must be decided, those ties would be broken by starting again from the top of the tie breaking procedure.

In the event that a wild card team must be selected for the playoff rounds, the above procedure will be used across the entire age group and bracket involved.

- If a division winner does not show up for play, the division team with the next best record shall be named the division winner.
- In the event the finalists for a particular age group and bracket are determined by seeding, the finalists (or semi-finalists if applicable) shall be determined based upon the two teams (or more if semi-finals are applicable) with the most points in the overall age group and bracket involved. In the event of a tie, the same criteria as utilized for division winners shall be used to determine the finalists.
- In the event that there is an age group(s) and bracket in which semifinals are held, to be determined at the discretion of the Tournament Committee, the foregoing rules shall be applied to determine the teams that shall qualify for the semi-finals.

PLAYOFFS

- A. Depending on the number of teams in the division/ age group bracket, there may be a playoff.
- B. If there are playoffs and a wild card team must be selected for the playoff rounds, that team will not be assigned to play the winner of its own division in the first playoff round.

Only those players on the field at the end of regulation time of the playoff game may compete. If the penalty kick score is tied at the end of the five kicks, the teams will continue to take penalty kicks alternately until there is a winner. All players on the field must kick before any player may kick a second time.

INCLEMENT WEATHER

- D. Games that have been started and subsequently suspended due to inclement weather or other external conditions, will be deemed complete if one half of play has been

completed or the first half cannot be completed prior to the start time of the next scheduled game on that field. For any such game that is not completed, the score at the time of the suspension will be the final score. Any game that is not started and is canceled (as opposed to postponed) due to weather or other external conditions, will be recorded as a 0-0 tie. Canceled games will not be rescheduled.
